

## 2025/2026 Wholehouse Weatherization EnergySaver Program Application

A utility bill credit is available to encourage GP&L Residential “Electric” Customers and applies to energy efficiency projects completed on homes served by GP&L. For any questions, call 972-205-2929, email [energyadvisor@gpltexas.org](mailto:energyadvisor@gpltexas.org) or visit <https://www.gpltexas.org/EnergySaver>.

Program starts October 1, 2025, and ends on September 30, 2026, or once funds are depleted, whichever comes first. **No credits will be issued for installations that occurred before October 1, 2025, or for applications received after September 30, 2026.** The EnergySaver Program may be discontinued or modified by GP&L at any time. The number of bill credits in a fiscal year is not guaranteed, nor the availability of funds for a credit. Please call 972-205-2929 to make sure the program is still available before purchasing equipment.

- Applications are subject to verification. If the verification cannot be completed, the credit will not be issued. The unit must be placed in the GP&L service area. **Customer must be served by GP&L in existing homes only.**
- Credit recipient must be a GP&L customer. **Please allow 2 to 8 weeks after receipt of all documentation for the credit to be posted to your GP&L account** (maximum credit of \$2,000 per year, per account.)
- **A contractor must perform all work with the exception of window solar screens / film, which can be done by the customer.**

### **Choose one or a combination of these energy savings upgrades:**

- **Ceiling Insulation** – Existing and new insulation must be **at least R-30** – \$0.50 per square foot of attic area
- **ENERGY STAR® Windows/Doors** – \$10.00 per square foot of glass area. Exterior measurements and verification is performed by GP&L. [Southern Climate Zone Energy Star U-Factor of 0.32 or lower, Solar Heat Gain Coefficient \(SHGC\) of 0.23 or lower](#)
- **Window Solar Screens / Film** – \$5.00 per square foot of glass area
- **Duct Replacement** – \$0.50 per square foot of conditioned space

The following earn a bill credit of 50% of the cost. Cost of the upgrades must be itemized on contractor’s receipt.

- **Duct Sealing** – Must include a **before & after** duct leakage test
- **Weatherization** – Must include weather-stripping of doors, caulking windows and sealing plumbing penetrations. Must include a **before & after** blower door test

### **THE ITEMS BELOW MUST BE SENT TO GP&L FOR CREDIT (Print out and complete form)**

1. **Legible copy of contractor’s invoice**
2. **Form itemizing work completed** (Page 3 of this document)  
Must include brand, U-Factor, SHGC, R-Value and square footage of installed items.

**Mail or hand deliver the completed application and necessary documents to:** GP&L EnergySaver Program, 217 N. Fifth Street, Garland, TX 75040

**Missing documentation will delay processing or cause application to be denied.**
